

## **Easton Bowls Club**

### **Report to Easton Annual Parish Meeting – 20 April 2026**

Good evening, everyone

Easton Bowls Club is now up and running for another season in which we play league matches on Tuesday and Thursday evening's. We also play friendly and Cup games on other evenings.

We run a Monday pairs 6 times throughout out the season and 4 Sunday tournaments these are both daytime events with refreshments throughout the day.

We very much welcome new members to join in any of these events. We now have a lovely new web site [www.eastonbowlsclub.com](http://www.eastonbowlsclub.com) where all of the information is about our events and fixtures.

We have also had a leaflet printed in which we have distributed in and around the area plus 100 leaflets have been given to Claire Owen to be put into the next Easton parish Magazine and hopefully this may tempt any new members.

I would like to thank Derek for reading this on my behalf.

Kind regards

**Mandy**
