If you have anything to put in the Village News, please submit by 14th of the month before.

Editor's Introduction

Happy New Year everyone! I always like the start of the New Year—it brings a sense of hope and optimism for the future even though the years seem to fly by these days. (I must be getting old!)

On a personal note, it was an emotional send off for me at the last Sunday Café of the year. Much to my great surprise, I was 'serenaded' with music (thank you Topaz, Sarah and others) and a song re-worked by a certain incorrigible Mr Bennett-King. It was a well known tune by the Human League and I can't get the flipping tune out of my head now. Apparently I'm not alone! But thank you to everyone who was involved. I leave the Café in the very capable hands of Pam and Jules. Please give them your support.

There's a lot of interest in the magazine this month so enjoy. Can I just remind you (if you haven't already paid—thank you those who have) that if you wish to continue receiving the magazine in the New Year, could you please pay £8 into the following bank account by the end of January latest. Thank you.

Account No: 60191868

Sort code: 30-99-85

Account Name: C Owen

Please reference the payment with the first line of your address. Or of course you can pay your distributor direct with cash.

EASTON PARISH COUNCIL

First things first, a very Happy New Year to you all.

As some of you may have heard, Ian Palfreyman has decided to step down as a Parish Councillor after many years' service. On behalf of the Parish Council I'd like to thank Ian for his hard work and wish him all the very best for the future.

Ian's departure leaves us with a vacancy on the Council which we would like to get filled as soon as possible. If you are interested, please contact Andrew, our Parish Clerk (contact details in the front cover of this magazine), for further details.

Those of you that use the play area may have noticed that the rather decrepit picnic bench is no longer there. Following a discussion at our last meeting, we decided that it had reached the end of its serviceable life. Many thanks to Derek Balcombe for removing and disposing of it. We are currently looking at funding options to upgrade the play area itself and I hope to be able to give you an update in the next few months.

If you would like to attend our next meeting, it is on Monday 19th January at 7:45pm in the Village Hall. The agenda will be published the week before on the Parish Council noticeboard in the Village Car Park and on our website: <https://eastonsuffolkparish.gov.uk/>

THE WILDLIFE GARDEN

Check and put up nest boxes.

Late winter is a good time to put in a pond if it is something you plan to do.

Keep feeding the birds through this cold time of year.

GARDENING TIPS

If you like to start sowing seeds this month, start with sweet peas, aubergine and chillis.

Chit first early potatoes.

Hellebores are at their best now. Cut back old leaves to expose the beautiful flowers and prevent disease.

Clean greenhouses, polytunnels, seed trays, pots and labels ready to start your growing year.

Prune gooseberries.

Continue pruning roses during their dormant period.

Prune apple and pear trees.

Cut back ornamental grasses before new growth makes it more difficult.

Deadhead any displays of winter bedding.

Enjoy a quiet month in the garden before the jobs start building up in February.

Letter from Framlingham Library

Dear Friends,

This will be my final 'Letter from the Library', and I wanted to take this opportunity to say a huge thank you to everyone who has supported Framlingham Library over the years.

As we celebrate 100 years of public lending library service in Framlingham, I reflect on what an absolute pleasure these last few years as library manager have been. My heartfelt thanks go to our wonderful supporters, fundraisers, the Friends of the Library, our dedicated staff and volunteers, and most especially to all our lovely customers who make this library the vibrant community hub it is.

Together we've achieved so much, including delivering our fantastic new children's library. This spring we're excited to bring our community room into use as a health, wellbeing, and local studies space. It will provide a quiet, peaceful area for those wanting to work, and will also offer more privacy for the Citizens Advice Bureau sessions on Friday mornings.

Upcoming Events

PCSO Christian Hassler will be joining us on **8th January** and **19th February** from 10am-12pm to discuss any concerns you may have and share useful information about personal safety and crime avoidance.

During **Health Information Week (19th-23rd January)**, we'll be hosting a **Digital Health Café on Tuesday 20th January, 2-4:30pm**. Come along to learn about using the NHS app and discover helpful health information sources from the NHS and various charities to help you take control of your wellbeing.

Our **Winter Art Show** with the Framlingham Art Society continues to brighten the Court Room Gallery.

Regular Activities

Mondays, 10:30am - Make It on Monday (crafting)

Tuesdays, 10:30am - Board Games

Thursdays, 10am - Warm Welcome (drinks and chat)

Thursdays, 2pm - Home Education Stay and Share

Saturdays, 10:30am - Crafts with Duke of Edinburgh volunteers

Saturdays, 2pm - LEGO

I want to say thanks to everybody for the warmth, enthusiasm, and kindness you've shown me during my time as library manager. February will be my last working month at the library, and I look forward to whatever comes my way in my next chapter as well as wishing all the very best to whoever takes Framlingham Library onto the next page and beyond.

Cheerio,

Vivia Bamford

All Saints Church

Church Services (see table of services for full details)

The pattern of services for the benefice will be changing for 2026. It is hoped to provide an early service, a morning service and an evening prayer service somewhere in the benefice each week. On most months, this will allow each church to have two services in the month. This may vary if they are hosting a benefice service.

In Easton, for the first few months of the year (ie the cold months), we are planning to hold services in the Village Hall where it is warmer and more comfortable. Service time will change to 9.30 am.

On 4th January our benefice communion service for Epiphany will be at Brandeston at 11.00 am.

Easton has a Holy Communion service on **25th January at 9.30 am in the Village Hall**. Please note the TIME for this service.

The benefice Holy Communion service for Candlemas on 1st February is at Campsea Ashe at 11.00 am.

Sunday Café

Our Sunday Café is on 18th January. We look forward to all the usual lovely food and good company.

Thank you to Clare Owen for leading the team for so long and thank you to Pam and Jules for taking on that role. We hope Clare enjoys being waited on in future instead of working so hard!

Big Breakfast at Hacheston Village Hall

The next Big Breakfast will be on 31st January from 9 am to 11 am. These are free as outreach to the community (but any donations gratefully received from those who can afford it).

Discussion Group

The Discussion Group meets again on 7th January at Bickley, Harriers Walk at 10.30am. Our topic is “Animals in the Bible”. New members are always welcome.

Thanks to all our supporters in 2025

The PCC would like to thank anyone who contributed to keeping the church running in 2025 both financially and in helping with cleaning, flowers and general tasks. We are now a small band of helpers and would welcome anyone who could help with flowers, coffee after the service, etc.

Our thanks also go to Clare for producing our Easton Village News every month which is such a wonderful community magazine – interesting, informative and fun.

Jubilate is a choir that has been active in Suffolk since its formation in 2016. The choir is known for its traditional service of Choral Evensong, which includes a selection of well-loved music from the English choral tradition.

Jubilate consists of between 12 and 16 experienced singers and provides its own cantor and organist, making no charge for its services. The choir performs in both rural and town centre churches across Suffolk. Jubilate's commitment to the church and its community is evident in its dedication to preserving the service of Choral Evensong and its inclusion in traditional parish worship.

Neighbourhood Watch News for January

Thefts from vehicles - security advice from your Community Policing Team [CPT]

Having your car broken into and losing your things to thieves can be very distressing. Here are a few simple steps you can take to keep your vehicle, and what's in it, safe.

Most car thieves are opportunists. By taking a few simple steps, you can drastically reduce the chance of becoming a victim. Help us keep our community safe!

Here are three golden rules from the CPT to follow every time you leave your vehicle:

- **Lock it** : Always double-check your doors and windows are secure, even if you're just "running in for a second". A surprising number of thefts happen through unlocked doors.
- **Light it** : Park in well-lit areas or near streetlamps whenever possible. Most vehicle crime happens at night, and good lighting is a great deterrent as well as good CCTV.
- **Empty it** : Never leave valuables, bags, or even loose change on display. If a thief sees something worth taking, they might break in to get it. Take your belongings with you or hide them completely out of sight.

Bonus Tip for Keyless Cars: If you have a keyless entry fob, store it in a signal-blocking pouch (a "Faraday bag") when you're at home to prevent "relay theft".

Stay vigilant, look out for your neighbours, and report any suspicious activity to the police on 101 (or 999 in an emergency).

Going away?

Here are five tips to help you keep your home and belongings stay safe while you're away:

1. If you're off on holiday and wish to post anything on social media, make sure your posts aren't public and that they're only seen by your friends
2. Leave lights and a radio on a timer to make the property appear occupied.
3. Get a trusted neighbour to keep an eye on your property or join a Neighbourhood or resident Watch Scheme.
4. Consider asking your neighbours to close curtains after dark and to park on your drive.
5. Remember to cancel newspaper and milk deliveries.

Keep burglars out of your property

Burglars will use a variety of ways to avoid being noticed. They don't want to be seen or heard by a neighbour or passer-by because they will feel exposed and identifiable.

Keep it visible

You'd think that it would be best to make a property less visible from the street, and to keep it hidden from prying eyes behind overgrown bushes, trees, high fences or walls. In reality, all that this serves to do is make it easier for a burglar to get close to a home unnoticed, and provide somewhere to hide while carrying out a burglary or theft from the property.

- Lower fences at the front, around one-metre high are preferable to high fences as they allow for a clear view over the top and don't provide cover for anyone wishing to hide.
- At the rear and sides, taller fencing is recommended to prevent easy access.
- Trellis, thorny plants, or a suitable anti-climb topping such as plastic spikes make it difficult for anyone climbing over a fence or gate.
- Planting prickly or barbed shrubbery along boundaries and fence lines acts as an effective natural barrier.
- Gravel driveways and paths will make sure you hear anyone approach.
